CONSOLIDATION IS OPPOSED.

Argument for Minority Stockholders of Lake Shore Heard.

New York, August 23—Argument in behalf of minority stockholders of the Lake Shore and Michigan Southerr railway in an action to restrain its consolidation with the New York Central under terms proposed by the latter company was heard here yesterday in the federal court.

Controlling 90 per cent of the Lake Shore stock, the New York Central recently offered the Lake Shore minority shareholders five shares of the stock of the proposed consolidated company for each share of their Lake Shore stock, This would give them a 10 per stock. This would give them a 20 per cent of the Lake Shore stock of the consolidated company for each share of their Lake Shore in the restrict of the proposed 255,000, 000 stock of the consolidated company.
